News from the Board

There is a community day coming up May 31st
It starts at 11:00 am.

Stay tuned to the website or call one of the board members for final details.

BARKS and the Nampa club have been invited to a demonstration fly-in at the Birch Elementary School on Birch Street in Nampa. It is just down the hill north of the Nampa Aeromodelers' Field. There is a large Optimist park north of the school grounds. We are flying between 11:00 and 1:00 while the kids have a BBQ lunch. We suggest that planes with the Spread Spectrum Systems or 2.4 GHz systems field be used so we don't conflict with the Nampa Club.

Welcome to New Members

Editors Note

I am resigning as Editor of the Newsletter effective this month. There are a lot of things going on in our life right now and I feel that it would be best if I gave the torch to someone who could handle it better than I at this time. I appreciate the opportunity.
